Game Description:

Collect coins, avoid enemies, and go for the rose!

Game Modifications:

1. Created Level 2 Environment
2. Created Level 3 BOSS Environment
3. Created Level 4 Environment
4. Created EBoss.cs Script that locks the Rose (shows "Locked Black Rose") until the Boss is Stunned a certain number of times.
5. Created a Locked Black Rose that has to be unlocked.
6. Created a Boss Enemy.
7. Added unique Audio to the Boss's actions.
